In this example, we will select two seats on the Main Floor for this performance. You will enter the number of tickets you need, and check the box for the seating level you prefer. To select your own seats, click the "Select My Seats" button. You may also select "Quick Checkout" to have seats selected for you.

This screenshot shows the top portion of the ticket selection interface. At the top, there is a "Promo Code" section with a "Remove Promo" link and a message: "Your promo has been applied." Below this is the "Number of Tickets" section, which includes a note about socially distanced seating and a quantity selector for "FS Season Web 1" (Tickets are \$14.00) set to 2. The "Levels" section has checkboxes for "Balcony" and "Main Floor" (checked), with a price of \$14.00. To the right is a small theater diagram with "STAGE" labeled. At the bottom, a summary box states "66 seats match your filters" and contains two buttons: "Select My Seats" and "Quick Checkout". A large red arrow points from the "Main Floor" checkbox down to the "Select My Seats" button.

Step 4: You will select your seats on the seating chart, then click the "Checkout" button in the lower right corner. *Please note: to ensure parties are socially distanced, the website will not allow you to proceed if you break up a "pod" of seats (for example, if you need two seats, and select two seats that are within a group of four seats).*

This screenshot shows the full ticket selection interface. The top navigation bar includes "Watsons Go To Birmingham", "Your Tickets", and "Filters". A banner at the top provides information about socially distanced seating. The main area features a seating chart for the "Main Floor" with a "STAGE" area. A legend at the bottom left shows a blue dot for "Legend". A "Change Level" button is visible. On the right, the "Your Tickets" list shows two selected seats: "Main Floor Section 5 J - 1" and "Main Floor Section 5 J - 2", both for "FS Season Web 1" at \$14.00. Below the list, there is a "Total" of \$28.00 and a prominent red "Checkout" button. A large red arrow points from the "Checkout" button in this screenshot down to the "Checkout" button in the previous screenshot.

Step 5: After you click with "Checkout" button in the screen above, you will continue this process for each of the plays in your package.

For any performances at the Milwaukee Youth Arts Center, which do not have reserved seating, you will simply be instructed to select the number of tickets you need, and click the "Quick Checkout" button.
